EDUCATION

- Diploma in Information Technology
- Governmentpolytechnic Ahmedabad
- Duration:2023-2026
- Current Year:3rd Year
- Current CGPA:8.71

- Secondary School Certificate(SSC)
- k.n.shahHigh School Modasa
- Graduated:March 2023
- Percentile:94.00

SKILLS

- **Programming Languages:**
  HTML, CSS, JavaScript
  Python,java
- **Databases**
  SQL,MySQL
- **Frameworks & Libraries**
  React.js (Hooks, Components, Routing)
  python Django
  Node js(Basic)

LANGUAGES

- English-intermediate
- Hindi- Fluent
- Gujarati-Native

PROFILE

Motivated and detail-oriented web development student with hands-on experience in building responsive and dynamic websites using HTML, CSS, JavaScript, and React.js. Strong understanding of frontend development principles and passionate about creating clean, user-friendly interfaces. Familiar with REST APIs, Git version control, and modern UI libraries like Tailwind CSS. Eager to contribute to real-world projects and continuously learn emerging web technologies.

PROJECTS

- Weather App
  - Developed a responsive weather dashboard using React.js that displays real-time weather, 5-day forecast, and air quality index.
  - Utilized Axios to fetch data from the OpenWeatherMap API and dynamically render weather components.
  - Integrated geolocation and city search features with React Hooks (useState, useEffect), styled with custom CSS.

- ArtistLane – Book Your Artist Online
  - Built a full-stack artist booking platform where users can search and book artists online.
  - Developed backend logic with Django views, models, and templates for authentication, profiles, and bookings.
  - Implemented clean, responsive front-end interfaces with dynamic content and form handling.

- **Recipe Finder Website**
  - Created a recipe search website using React.js that fetches meal recipes based on user input.
  - Integrated third-party recipe APIs (like Edamam or Spoonacular) for fetching ingredients, cooking steps, and nutritional data.
  - Implemented dynamic routing and state management to filter and display recipe cards interactively.
